Riverside's Capital Campaign

## Why Your Capital Campaign Gift is so Important

While we love our church, it suffers from years of deferred maintenance, as we put off big-ticket items such as the roof, new heating and cooling, and basic repairs to masonry, stain glass windows, flooring and paint. Our many months of strategic planning led us to agree that staying right here on State Street is the best way to carry out our mission.

But time is slipping away. We need to prepare Riverside for the future.

We know that \$800,000 is a big number, but with the generosity of our congregation, and the love we all have for Riverside, we believe it's achievable. It will take all of us. What is in your heart to give? Please prayerfully consider your gift.

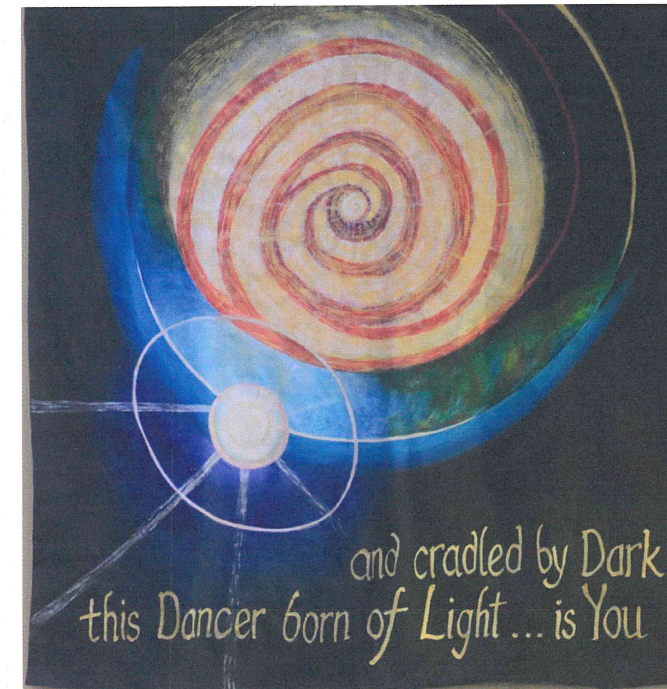

## There are many ways to Give:

- Check, cash, credit card or bank transfer.
- You can give appreciated securities or make an IRA-charitable transfer.
- You can make a one-time gift, or give over a 1, 2, or 3 year period.
- Please see the commitment sheet for all the options!
