Hospitality Team: Many Hands Have Lightened the Load

Thank you to all those who helped provide hospitality after worship in the past and special thanks to those who served as hospitality team captains. With many hands, the load has been lightened and we have greatly reduced the passing of clipboards at church!

The goal of the teams is to ensure that there are a greater number of people to share the responsibilities each month. Our hope is that each active participant in the life of Riverside will assist with hospitality on one or two Sundays each year.

Lost track of which team you belong to? Here is the complete list. And if you don't see your name and would like to help, please the church office at 541.386.1412.
