## Riverside Community Church

### Policies for Use of Riverside Community Church

The following policies for the use of church facilities allow us to keep the building in good condition and to make available to groups in the community. The following guidelines must be adhered to by groups and individuals using the church building. Failure to do so may jeopardize return of your deposit and future use of the building.

1. Church programs have priority for church use. Use of the building outside of church use times is available for religious, educational, civic, cultural, recreational and social purposes.
2. Only those rooms that have been reserved may be used and only participants in the event may be admitted. We ask that you conclude your event by 10 pm unless other arrangements have been made.
3. When the application is approved, the organization and contact person named on the application agree to take full responsibility for the event or activities of the group, the conduct of the people in attendance, and any damage to the building, property or equipment arising out of the use of the building during the event.
4. The organization and contact person agree to release and hold harmless Riverside Community Church, its employees, officers, agents and volunteers from any liability, claims, injury or other damage arising out the organization's activities on the church premises.
5. The organization and contact person agree to furnish the church with a certificate of liability insurance in the amount no less than \$1,000,000 per occurrence naming Riverside Community Church, employees, officers, volunteers and agents as additional insured.
6. Groups wishing to serve food as part of the event may do so as approved with their application. Food and drink are not allowed in the Sanctuary.
7. Applicant is responsible for all room cleanup and shall be returned to its original condition. This includes removal of all garbage and recycling; floor swept, and tables and chairs cleaned if food service is provided. A \$60 janitorial fee will be charged if self-cleaning of the space is not of interest.
8. Approval for beer and/or wine service in the Riverview Room may be granted if:
  - Served in accordance with all laws, especially laws regarding the age of those served and laws prohibiting serving alcohol to intoxicated persons.
  - Licensed OLCC servers must be used and proof of liability insurance provided. Riverside Church does not have a liquor license.
  - A plan is in place for not over-serving guests and water or non-alcoholic beverages are also available.

- Renter is responsible for all items necessary to serve chosen beverages including: ice, glassware, bottle openers and is responsible for all clean up, including removing all bottles and cans from the property.
9. Smoking is NOT permitted inside any part of the church facility.
  10. Displays, banners, and signs may not be placed or hung outside of the church without permission from the church office. Inside displays must not damage church property and are to be removed at the conclusion of the event.
  11. The altar and piano are not to be moved or removed from the Sanctuary without prior permission from the church office. Any other objects must be returned to the original location.
  12. Only music related objects are permitted on the piano and organ. The organ or piano may not be played without permission from the church office.
  13. The church, by approving use of its facilities, does not endorse or sponsor the event. If information about the location of the event is publicly announced, the group will clearly indicate that the church is not endorsing or sponsoring the event.

**Please show proper respect for this house of worship and the congregation.**
